The premises of the Indian Institute of Science are part of the Ctn station [vide note of the Govt of India]. The Durbar pays no grants-in-aid to any of the schools in the Ctn Stn The case of the S to Rly School for which a grant was declined in 1902 is exactly analogous to the case of the Institute Primary Education to 'the boys Indian children living on the Institute premises' has to be provided by the educational authorities of the Ctn Stn
